NICKERSON, District Judge:

In a Report and Recommendation dated April 16, 1998, familiarity with which is assumed, Magistrate Judge Roanne L. Mann recommended that the damage inquest as to John Nolan be deferred until, and consolidated with, the damages aspect of the trial.

Objections to the Report and Recommendation were due by April 30, 1998. No objections to the Report and Recommendation have been received. This court adopts the Report and Recommendation.

So ordered.
